Forecast for Tuesday 14 Jun 2022

Weather: A fine and bright day with long periods of sunshine expected, especially early and late on. Fair weather cloud will bubble up during the morning, but it should be less extensive than on Monday. Cloud may cover some northwest facing slopes in High Peak at first.

Chance of cloud-free hill tops above 600m: 80% initially, mainly on northwest facing slopes, soon improving to above 95%.

Low cloud and visibility: Northwest facing slopes in the north of the Peaks may see patchy summit cloud down to around 500m initially, this lifting and remaining clear of the highest tops soon after dawn. Visibility very good with distant hills clearly visible.
